Proclaiming Christ into the 21st Century

Volume 7

July/August, 2008

## Pastor's Corner

### A Place of Hope

On June 14, 58 youth and adults met in the church parking lot to leave on our youth mission trip. They and their families came to the church, packed up their clothes, sleeping bags and tools, and then were sent off with a prayer. On July 26, 13 adults and their families will meet in our parking lot to travel to Mississippi to help rebuild from Hurricane Katrina. Also, this summer over 25 of our youth from the church and our community will be meeting at *Our Redeemer's* as part of our *Voices of Light* youth drama team. They will be performing the musical *Joseph and the Amazing Technicolor Dream Coat* August 7 - 9 at the church. Finally, on July 21 - 24 we will be holding our annual Vacation Bible School as part of our Christian education program. It is an exciting summer.

Over 40 years ago a group of people came together to begin building a ministry at the corner of Schaumburg and Springinsguth roads. With their faithful commitment to

Christ's ministry at this place amazing things happened and continue to happen. In my short nine years here I have seen their hard work result in the love of Christ being shown in countless ways. What a gift they have given us. As we continue to grow our ministry and mission I would like to invite all our members and friends to make a commitment to the ministry here at *Our Redeemer's*. We have found that when our committees and ministry teams make a commitment of doing the small things (upkeep on our building, recruiting volunteers, serving cookies or coffee on Sunday, greeting, ushering, making phone calls, etc.) truly amazing things happen.

In worship this fall we are going to talk about the "*New Possibilities*" for our common ministry. Prayerfully consider making a commitment of time and energy for our growing mission and ministry.

In Christ's name,  
Pastor Bill

## Pastor Bill's Devotional Corner

I have a garden. It is in our back yard surrounded by shade trees. For the past 3 or 4 years I have planted tomatoes, thinking that even though there is not much direct sun, they will grow any way. I was wrong. They do grow and I get some tomatoes late in the summer, but with limited sunshine I get very little fruit. So this year I tried something different. I planted the "green stuff" - lettuce, spinach, collard greens, cabbage broccoli and even kale (whatever that is). These have grown so fast I can't keep up with them.

There are times in our lives when we need to grow in faith and in loving relationship with God and each other (grow spiritually). Often when we feel those times we valiantly try to pray more, read scripture more and attend worship more often. All of these are wonderful practices. Yet sometimes these are hard for us to keep up and we get frustrated. I wonder if there are times when we are trying the wrong things. Prayer, worship and reading scripture are wonderful spiritual disciplines, yet not all of us can use them with the same effectiveness. Like my garden that is not friendly to tomatoes, some of us find it difficult to grow with these traditional practices. If that is the case, why not try something different. For myself, regular walks are a wonderful time for me that are prayerful, even though I don't formally pray. Doing regular acts of service are also a wonderful way for me to connect with God and others on a spiritual level. What is there in your life that connects you to a sense of love and grace? When you find that practice, make a commitment to it to do it consistently and realize it can be a powerful way to connect to God.

Finally, keep working on those traditional practices of prayer, scripture reading and worship. People of faith have found them to consistently help in their faith journey. So keep at it. Just so you know, this year I put 2 tomato plants in the back of my garden. I am really hoping they do better than the kale.

Peace,

**Pastor Bill**

## Worship Vacationing...Visiting Other Churches

Summer is the time for travel for many of us. If you have school age children, it's just about the only time of the year that a family can visit other parts of the country — or the world.

Whether you are visiting family or on a sight-seeing trip, take time on Sunday mornings to worship in whatever part of the country you find yourself. It's always stimulating to break your normal routine - and worship is no different from any other routine. So enjoy the new worship experience!

And I would be interested in knowing about your visits to other churches. I am curious about the many ways that other churches approach worship.

Sometimes worship may be outdoors at a campground or on a lakeshore. A couple of summers ago, my sister's pastor did a series on the movie *Charlie & the Chocolate Factory* - complete with an Oompa-Loompa. It was fun — and thought provoking.

Beside the message and scripture, what else might you notice during your visit? What is the music like - hymns, anthems, instruments, etc.? Familiar or not? Traditional or contemporary? Stained glass windows?

Banners on the walls? Prayers, joys and concerns, passing the peace, children's activities and Sunday school — the list goes on and on — differences to enjoy and relish.

Church buildings are as different as worship services. Maybe you're returning to your hometown church or an old neighborhood. When my parents celebrated their 60th wedding anniversary, as a family we visited the church where they got married in Connecticut. The church building is more than 180 years old and the congregation began in the 1700's. One of the best parts of that day was the chance to talk to church members. We had much in common in activities and mission projects - like Food Pantry donations, shut-in visitations and a family activity night being planned. Buildings may be different, but Christian fellowship is a strong bond everywhere.

So — enjoy your traveling worship experiences this summer. Get to know fellow Christians wherever you wander. Then bring back a bulletin and share your memories with me - I would love to hear them.

Grace & Peace,  
**Carolyn Meneely**

## TWLOHA Benefit Concert

*July 19, 7:00 p.m.*

The Youth Council is very excited to announce a benefit concert at *Our Redeemer's!*

Mark your calendars for **July 19, 7:00 p.m.**

This is being organized primarily by the senior high students and should not only be a great time, but will also raise money for an important organization. We will take up an offering with all money benefiting the organization, *To Write Love On Her Arms*.

TWLOHA is a non-profit movement dedicated to presenting hope and finding help for those struggling with depression, addiction, self-injury and suicide. TWLOHA exists to encourage, inform, inspire, and also to invest directly into treatment and recovery.

Depression and cutting are a big problem for Jr. and Sr. High students and the youth of *Our Redeemer's* want to help change that. For more information on the organization please visit their website at [www.twloha.com](http://www.twloha.com)

## Vacation Bible School 2008

Monday, July 21 -  
Thursday, July 24  
6:30 - 8:30 p.m.

VBS will be here in just a few weeks. Watch for pre-registration materials in the Narthex beginning July 6.

### We Need You!

VBS isn't just for the families with elementary school children. In fact, without the help of teens, empty-nesters, and everyone in between, we would never be able to put together a successful VBS program. **We still need volunteers in the following areas:**

- **ACTORS** (*Tuesday and/or Thursday*) – Very small roles!!
- **REGISTRATION** (*Monday*) – Help sign children in on the first day of VBS
- **LIFEGUARDS** (*All four days or flexible*) – Lead children from one activity station to another. No planning necessary. All activities are organized by station leaders.
- **DECORATIONS** – Following the 4th of July holiday, we will have a couple of work sessions (day and evening) to make decorations for VBS. An hour or two of your artistic abilities will be a tremendous help. Watch the bulletin for dates and times, or sign up in the

Narthex and you will be contacted about the decoration schedule.

### VOLUNTEER INFORMATIONAL MEETING

If you're helping out with VBS, please attend one of our short informational meetings at 10:00 a.m. in the Sr. High Room on July 6 or July 13. These meetings will provide you with everything you need to know about the format and schedule for our VBS week.

### NEEDED ITEMS:

Check our poster in the Narthex to see what items you can donate or lend to VBS. Items on loan need to be tagged (*masking tape works well*) so that we can return items to the appropriate people after VBS. **Please drop off items by Sunday, July 13!**

Stop by the Narthex between church services, or contact **Gwyn Greenwalt** or **Doug Meneely** for more information. Thanks for supporting the youth programs of ORUMC!

### RALLY DAY - Sunday, September 7

We hate to see it go by so fast, but before you know it summer will pass us by and we'll be ready for another school year. Mark your calendars for Rally Day and the start of the 2008-09 Sunday School year.

We still need co-teachers in K/1, grades 2/3/4 and High School. We do have a backup for High School if you need a break. See **Gwyn Greenwalt** or **Doug Meneely** if interested.

## 6:33 News

We are currently in our summer series titled, Holy Spirit DNA. What is Holy Spirit DNA? Holy Spirit DNA is the set of instructions from God that we need to understand and put into practice to have a complete and fulfilling relationship with God. We, as believers, all possess Holy Spirit DNA, but we cannot expect this Holy Spirit DNA to work inside of us unless we first do and understand a few things about God. Come and find out how to activate your Holy Spirit DNA.

### Upcoming message themes:

June 29: Christ's Antibodies-Heals from the Inside

## Narthex Project

*by Jill Wood-Naatz*

Our narthex renovation is complete! There is much we all need to know about it's use.

·The right hand alcove is our welcome center where you will find brochures of our various ministries, newsletters, Upper Rooms, guest book, and name tags.

·The left-hand alcove serves several purposes. The most important is to highlight the many ministries of our church. There are clipboards on the counter for signing up for any particular event or activity.

·The posters for those occasions will be displayed on the tack board behind the counter.

·Please refrain from using easels in the narthex.

·Please do not tape fliers on the wood cabinetry.

·Youth specific activities will be posted on the youth board on the wall to the left of the alcoves.

·The two lower cabinets have 4 pull out shelves to be used for the food pantry, crisis center, recycling paper, and garbage. The red wagon will be relocated across from the nursery under the coat racks. It may still be used to transport items.

·Please put prayer request cards through the slot in the cabinet.

·It takes 2 people to very carefully pull out either counter.

·Those promoting an event may stand behind the counter to answer questions and encourage sign up.

·The door for the food pantry and crisis center will be left open on Sundays to encourage donations.

·Financing of this project was made possible by use of memorial fund money in memory of **Betty Oster** and **Frances Draba**. The dedication service was June 1.

·We hope the new look will be welcoming to visitors and that it will be fully utilized to meet the needs of our ministries. If you have questions or suggestions please contact **Sherrie Cottrell, Carolyn Meneely, Jill Wood-Naatz, or Mary Zalay**.

It is because of the generosity of **the Evitts family and the Oster family** that we have this new cabinetry. Thank you so very much.

## All-Church Picnic

*August 24, 11:30 a.m.*

The all-church picnic is Sunday, August 24 at 11:30 following the second worship service. As in the past, we will sell tickets and provide the meal. You just need to show up, enjoy the food, and have a good time.

If you would like to help out, we can definitely use some volunteers. If you can help with ticket sales, setup, kitchen duty, or kids' activities please contact **Gwyn Greenwalt** at 847-882-6116 or [jgreenwalt1@comcast.net](mailto:jgreenwalt1@comcast.net).

## Crop For A Cause: Making MS A Memory

The Second Annual Crop for a Cause: Making MS a Memory Event 2008 was a huge success! Thank you to everyone who attended, volunteered, or donated to the event.

Held on March 1, 2008, the evening of scrapbooking raised over \$17,000. 100% of the proceeds go directly to the National Multiple Sclerosis Society. The National MS Society is the only voluntary health organization dedicated to the prevention, treatment, alleviation, and cure of MS.

More than 200 attendees spent eight hours scrapbooking, socializing, and having fun. As part of the registration fee, each attendee received table space to scrapbook, a goodie bag, and a door prize. Dinner and snacks were provided. There were over 100 silent auction items including scrapbooking supplies, leisure items, sporting event tickets, gift certificates, and a seven day condo rental in Maui. All food and auction items were generously donated by local businesses.

On May 4 we participated in the 2008 MS walk-a-thon at the Harper College site. Due, in part, to the huge success of the Crop for a Cause Scrapbook Night our team was the #1 fundraiser for our walk site and we were asked to lead the walk. This year our team's GRAND TOTAL was \$ 28,302.00. And the checks are still coming in!!

Thank you everyone for your support and prayers as we work together to fight multiple sclerosis!!
